

## Early earthworks continue for Western Sydney Airport.

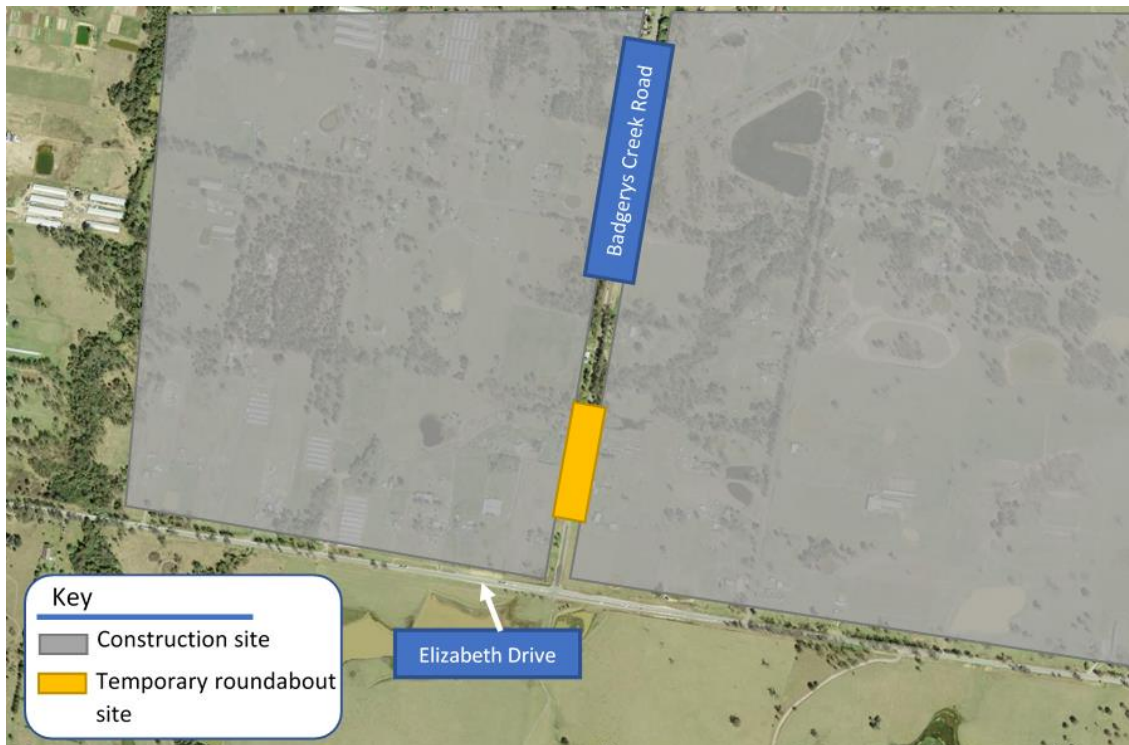

Dear neighbour,

Early earthworks for the Western Sydney Airport will continue until late December and recommence in early January 2019. This work involves the movement of 1.8 million cubic metres of earth, stockpile management, and other key establishment activities.

Over the coming months, we'll deliver the following works:

- Construction of a temporary roundabout and access point on Badgerys Creek Road
- Construction of a new and re-aligned Badgerys Creek Road
- Construction of a new haul road
- Removal of the site compound house on Elizabeth Drive

### Location of early earthworks

### Where are we working?

Elizabeth Drive and Badgerys Creek Road, Badgerys Creek.

### What are the construction hours?

5am to 7pm Mon to Fri  
8am to 6pm on Sat  
(if required)

No work will be done on Sundays or public holidays without prior notice.

### **Site compound**

A site compound has now been established at the northern end of Badgerys Creek Road, adjacent to Elizabeth Drive, Badgerys Creek. We are no longer based at the house on Elizabeth Drive.

### **Traffic changes on local roads**

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

Measures will be in place to minimise impacts to you during the work. These include temporary speed zones, traffic controllers and temporary barriers around work areas.

If you travel in the area, please allow extra travel time and follow the signage and direction of traffic controllers.

Early earthworks are being carried out by the CPB Contractors and Lend Lease Joint Venture (CPBLL JV) and are expected to be completed by the end of 2019.

We will continue to update you as work progresses with the construction of the Western Sydney Airport. Have a happy and safe holiday season.
